We were very fortunate

to have the 'Parent and Child expo' sponsored by Mission Australia, held in our school Multipurpose Hall last Thursday.

The staff and children at RESS really had a fantastic time with special guest Jay Laga'aia. Aunty Justine (Community Liaison Office) and Thuy (Chaplain) were very star struck by Jay .

There were so many local community stalls for families and children and great entertainment for all. It was such a lovely day.

FROM THE DEPUTY PRINCIPAL...

Hi Eagles,

The term is flying by. Teachers are nearly finished writing reports which is fantastic and admin are about to start reading them before they go out to students in week 10.

We have had a spike in behaviour in the last two weeks. Students are reminded to be Respectful, Responsible and Resilient. We have also had a huge number of students arriving to school late. Students miss vital information and start the day unsettled when they come in late. Parents and carers please ensure that your children are at school before the 8:40 bell to start at 8:45. A reminder also that school finishes at 2:45. Your children need to be collected at 2:45. If you cannot get here, PCYC have a great after school care program. There are days when staff have to leave early and are not available to look after your children.

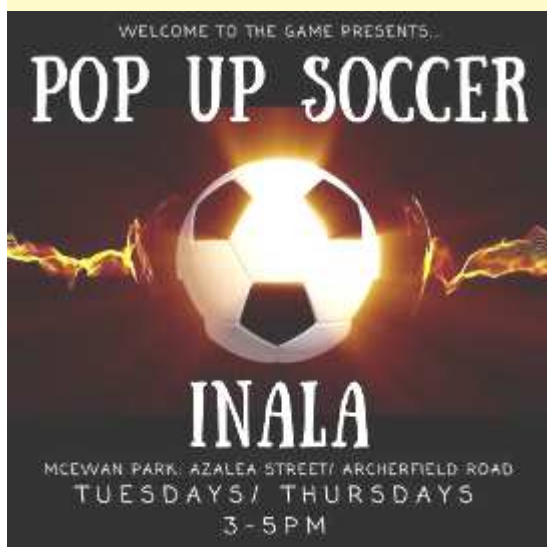

We are getting ready to celebrate 50 years of RESS. On Thursday the 22nd of June we will have a concert in the MP Hall with lots of performances and special guests. After the concert there will be a tour of the school. Our next newsletter will be dedicated to this.

I would like to take this opportunity to thank the wonderful staff at RESS especially the teachers and teacher aides who work extremely hard every day to ensure the children receive an excellent education. THANK YOU!

Stay safe Eagles,

Mrs Aitken-Garruth

Welcome to the Game is very happy to announce the kick off of our POP-UP Free Soccer Initiative in Inala.

This will be free soccer space for ANY local people, male, female, old, young, to come and join us at McEwan Park, Azalea Street/ Archerfield Road between 3-5pm.

This initiative embraces and extends from the Somali Community Program that has been running at Elizabeth Bruce Park for the past few months as well as our coach and referee development program and hopefully builds towards Kick Start Change Inala.

It is volunteer run with a focus on fun, participation and harmony. We are happy for individuals, groups, families or semi organised school or community groups to come along and have a run around.

Equipment is provided. There is children's playground next to the park, a half basketball court and access to toilets.

Meet the staff!

This week we meet one of our teacher aides Mr Shukri Ahmed Adem.

I am a teacher aide at RESS and it really is a multicultural school.

Rewards - Sausage Sizzle

Prep class (PM) enjoying their sausage sizzle.

The school captains were a great help!

On Friday 19/5/2017 the students enjoyed their sausage sizzle reward for being respectful, responsible and resilient. Well done kids!

YOU'RE Invited

As you may be aware this year Richlands East State School turns 50! You are invited to help celebrate this milestone with us, we would love to see you there!

When: Thursday 22 June

Time: 9am

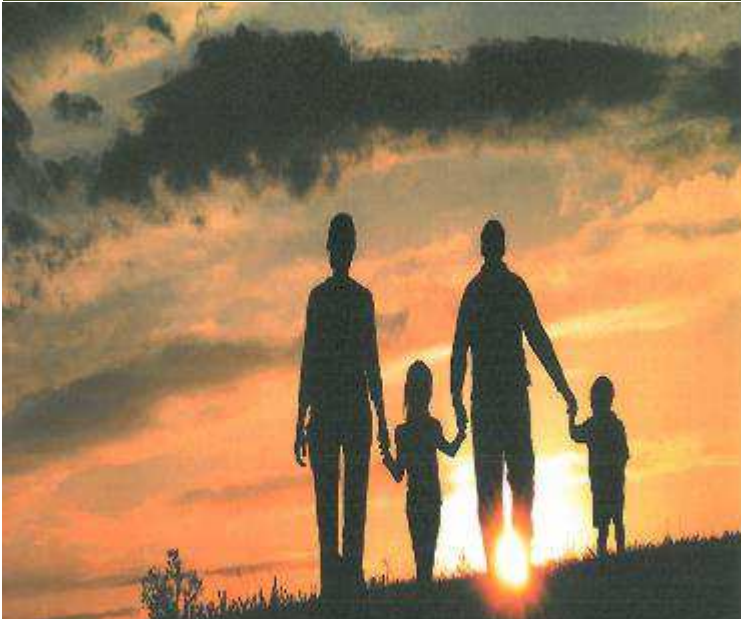

Can you help make our '50 Year History Display' great?

For our 50 year celebration, we are creating an historical display of Richlands East State School. Our school has a rich cultural heritage and family history. We have been lucky to have many generations of local families attending our school over the years. To make our 50 year history display great, we are asking for any: old school uniforms, work books, readers, report cards or any other related items that you would be happy to lend the school for the display. If you have any of these items please drop them into the office as soon as possible. We thank
